Your preferred choice of spaniel gender? Male Female Any

Preferred / Specific Colour Interest ?

Date of Application : _____

PIESANGKLOOF SPANIEL INFO

Good Day. Thank you for your enquiry.

We work on a waiting list with prior bookings as we do not breed with every cycle (regularly), therefore the long waiting period.

If you are willing to wait, we can add you on our waiting list, and therefore we will need your personal info as follow;

Name and surname?

Address/Living area?

Preference colour?

Preference gender?

Are you familiar with the Spaniel Breed?

Once you are on the list, we will definitely keep you posted and up to date as soon as they are born and one available. **Kindly complete Spaniel Questionnaire and send back asap.**

Our spaniel children at Piesangkloof are fondly known as "Spansies" growing up in a loving household environment and learn to socialize from an early age, developing a well-rounded temperament. Each Spaniel puppy will be examined and health checked by a Registered Veterinarian at 6 weeks, where they also receive their first inoculation and deworming. You will be given a Spaniel Information Booklet, a Veterinary Certificate and a personalised Goody Bag. Pups only available for **self collection at 8 Weeks+**. We are not KUSA/SACBR Registered or affiliated with any institution. Our breeding male has done genetic tests at ZooOmics.

We do however do our own house check (*if, when and where possible*) and you will also have to complete a Questionnaire for us, in order for screening and matching a puppy to you. We do not currently have a specific rule or contract in place regarding sterilization, however it is always recommended.

English Cocker Spaniels

Parti-Colours & Roans (Blue Roan & Orange Roan) = R8000 each

Tri-Colour = R9000 each

Chocolate (Liver & White) = R10000 each

Prices may vary and changed without prior notice

We request a 50% deposit in order to finalise you're booking which will only be payable when puppy is born, and you select one specifically out for you, thereafter the balance payable on day of collection. Your puppy must be collected by yourself directly from us, or you can arrange your own Pet Courier Service to collect. Unfortunately, we don't do any flights. We are situated on the farm Piesangkloof at the foothill of the Magaliesberg, close to Brits, on the R104 Old Rtb Road, Boschfontein, 15km from Hartbeespoort.

We add you on our personal Spaniel WhatsApp Group where you will become part of our spaniel family, and we update you on a regular basis with photos and videos regarding the pup's growth, development and well-being. Prior visits with your chosen pup are welcome and can be arranged.

It is important for us to get the pups placed in an active and loving home where they will be taken well cared of, appreciated and considered a member of the family.

Please note however we do struggle with poor signal on farm and calls and emails don't always go through, but the WhatsApp normally work. For any further queries please do not hesitate to ask.

Spaniel Greetings

Maritza Els
